## **Moore Industries signs Arjay Automation as Manufacturer's Representative in Upper Midwest**

NORTH HILLS, CALIF.— Moore Industries-International, Inc. signed Arjay Automation, Inc. in Minneapolis, Minnesota, as a manufacturer's representative for all Moore Industries product lines, including MooreHawke.

Arjay has extensive experience solving problems in process control, flowmeter selection, toxic and combustible gas detection, process weighing, analytical measurements for both liquid and gas, transducers for electrical metering, and protective relaying. Since 1967, Arjay Automation has been providing industrial controls, utility automation, and electrical metering solutions to customers throughout the upper Midwest.

Arjay's head office is based in Minneapolis, MN, with offices in Duluth, MN, Green Bay, WI, and Milwaukee, WI. Arjay will be responsible for covering Minnesota, North Dakota, South Dakota, and western Wisconsin for Moore Industries. Arjay also represents Yokogawa, E-One, Enardo, Chino, Sick Maihak, and Honeywell Zellweger Analytics products. Visit their web site at [www.arjaynet.com](http://www.arjaynet.com).
